PRINCIPAL'S PERSPECTIVE

JANUARY 6, 2012

Thank you...thank you...thank you!

So much has happened in the month since our "State of the School" meetings! You are responding positively to the challenges before us. It has been a joy to see so many families answer the call to action with generous hearts! We have received nearly \$20,000 for tuition assistance —almost half our goal!

To those who have contributed, and to those who will contribute and support fund-raising events during the next few months, I share these heart-felt comments from some of our families who are able to attend CCA because of your generosity:

"I am so thankful that my son can attend such a great learning institution, and he gets to learn about God in the process."

"It makes my heart smile to hear my six year old quoting the Bible, or talking about lessons she's learned from the Bible in real life events."

"Thank you SO much for this! We are so blessed to be among such an amazing family, which is what it feels like to be at CCA!!"

If it were not for the financial aid that we have been able to receive, we would not have all our children enrolled at this time. As parents, we have benefited from the perspective that the teachers have given us about the kids."

"Thank you so much for investing in the spiritual and emotional lives of our children. We are grateful for your generosity and support."

Sincerely in Christ,

Art Morgan, Principal
